“(4) The Governor-General may, if he thinks fit, remove a Judge or Commissioner for inability or misbehaviour.”

4. Acting Judges of the High Court—The principal Act is hereby amended by repealing section one hundred and six, and substituting the following section:

“(i) The Chief Judge or any other Judge of the High Court cannot be present on that island within a reasonable time to act; or

“(ii) Such proceedings are within the jurisdiction of a Commissioner of the High Court and there is no Commissioner or Judge present on that island.

“(2) Where no Judge of the High Court is appointed for Niue, or where a Judge is so appointed but is incapable by reason of sickness or absence from Niue of executing the duties of his office, the Resident Commissioner of Niue (or his Deputy lawfully acting as such) may, without further authority or appointment, act in Niue as a Judge of the High Court.

“(3) The fact that a Resident Commissioner or his Deputy so acts in pursuance with the provisions of this section shall be conclusive proof of his authority so to do.”

“(4) Upon any such election (not being an election under the proviso to subsection three of this section), there shall be payable by the employee to the Government Superannuation Fund, within such time and in such manner as the Government Superannuation Board determines, such sum as the Board fixes in respect of the excess of his salary during the past period as an employee of the Cook Islands Public Service over the amount deemed to be his salary during that period under the provisions of subsection two of this section.

1. The Grantor will advance on loan to the Grantee and the Grantee will accept on loan from the Grantor the sum of two thousand five hundred pounds (£2,500).

2. Such sum of £2,500 will be advanced by the Grantor to the Grantee as follows and subject to conditions hereinafter appearing during the period ending on the 31st day of March 1958.

3. Such monies shall be repaid to the Grantor by the Grantee as follows:

In equal annual instalments of £250 spread over ten years due on the 31st day of March of each year and commencing on the 31st day of March 1959.

4. Interest on any monies outstanding shall be paid by the Grantee to the Grantor at the rate of £3 per centum per annum and shall be computed as from the date of advance thereof by the Grantor to the Grantee and shall be payable quarterly on the last days of March, June, September and December in each and every year during the currency of this agreement and in the case of broken periods of interest shall be payable at the end of the quarter following such advance. 7. Monies required by the Grantee to be advanced by the Grantor shall be requisitioned by the Grantee in writing. Such requisition shall be made in such manner and the monies received shall be applied so that the commencement date of loans from time to time made by the Grantee to its members shall be contemporaneous with the several dates of advance for that purpose made by the Grantor to the Grantee and not later to the intent that as the Grantee shall be debited with interest by the Grantor so shall interest commence to run against a member-borrower in favour of the Grantee.

9. If on any of the several dates provided herein for payment thereof of either principal monies or interest the sums herein agreed to be paid by the Grantee to the Grantor under the terms of this Agreement shall be unpaid then such sums and each of them shall be recoverable as sums due to the Crown pursuant to regulation 53 of the Co-operative Societies Regulations 1953.
