RULING ON SUMMONS

1. The Applicant filed a Summons on the 25th of September 2024, seeking the following orders: -
 - (a) That Probate No. 40013 be revoked
 - (b) That Letters of Administration De Bonis Non with the Will annexed be issued in this matter in favour of the Applicant.
 - (c) That a copy of the Will of William James Clark a.k.a Bill Clark dated 11th March 1993 be used for the purpose of the requested grant.
 - (d) That sureties be dispensed with; and
 - (e) That there be no costs of this application.

2. The application is supported by the affidavit in support of William James Clark of Lot 3 Waqa Circle, Nasoso, Nadi.
3. He is the grandson of the late William James Clark and on his death, the administration of his estate was granted to the Trustee Corporation on 26th April 2002.
4. The administration of his estate was not completed by the Public Trustee, so they filed a Deed of Renunciation on 12th of April 2023 in his favour.
5. He has been notified that the current Probate No. 40013 needs to be revoked before Letters of Administration De Bonis Non and the Will can be issued in his favour. He was also advised to engage counsel to assist in this and he has done that as well.
6. The remaining beneficiaries want to complete the estate of his late grandfather, and he states that he is the right person in succession to complete that.
7. Probate No. 40013 contains the Will of his late grandfather although he does not have the original and he seeks permission to use the copy of the Will as contained in Probate No. 40013.
