PW1 agreed that the information shared to the police on 3 February 2023 were all true and correct. PW1 agreed that she signed that statement to confirm that it is her statement. Leave was then granted by the Court for PW1 to be shown her statement to the police. PW1 agreed that her earlier statement to the police stating her cousin Enid told her that Timoci was lying down in the room is different from her testimony in Court stating that she saw Timoci lying down in the room. PW1 agreed that she had earlier stated in her testimony in Court that she did not know that Timoci was going to take a shower, which testimony is not recorded in her statement to the police. PW1 agreed that in her statement to the police, she had

stated that she had known that Timoci was going to take a bath. PW1 stated that at that point, she gave 50 cents to Libby to go and buy ice block. PW1 agreed that she had earlier testified that she couldn't scream because Timoci had shoved a towel into her mouth, and that is why she couldn't scream throughout this ordeal. PW1 did not agree with the proposition that after washing herself and getting dressed inside the toilet then she walked out of the toilet. PW1 agreed that when she exited the toilet, the first person she saw was her mother who also saw her, and that was when her mother approached her outside Enid's bathroom. PW1 agreed that she was scared of her mum when she saw her mother outside the toilet or bathroom. PW1 agreed that she lied to her mother when her mother questioned her as to what she was doing inside the bathroom. PW1 stated that she lied to her mother stating that she was washing her feet inside the bathroom when questioned by her mother. PW1 agreed that it was at that point in time that she was told by her mother that her and Timoci to go inside Enid's house for them to have a conversation. PW1 agreed that inside Enid's house at that moment were herself, her mother, Timoci, Timoci's father, Enid and her children. PW1 did not agree with the proposition that when she was asked as to what she was doing in Enid's house, she had said that she was there to wash dishes, that is when Enid told her that she didn't ask PW1 to come and wash dishes at the house. PW1 stated 'yes' that when she asked by her mother at that point, then she finally told them of the allegation of what Timoci did to her. PW1 did not agree with the proposition that she had gone to Enid's house that morning to smoke cigarettes with Enid, Timoci and their neighbour Eseta. PW1 did not agree with the proposition that it was after having cigarette then Timoci went to have his shower, and she was talking to Libby. PW1 did not agree with the proposition that after giving 50 cents to Libby to go buy ice block, she saw Timoci walk out of the bathroom to get his toothbrush out of the fridge. PW1 did not agree with the proposition that it was at this point that when Timoci went to get his toothbrush out of the fridge, this is when she voluntarily got up and went inside the bathroom. PW1 did not agree with the proposition that when Timoci returned to the bathroom, that is when he saw her, and she told him to close the bathroom door, and then said in the I-Taukei language [English translation], "*I want you to fuck me*". PW1 did not agree with the proposition that it was at that point when she had sexual intercourse with Timoci, when he asked her to sit on his lap, and she followed through his instruction and sat on his lap. PW1 stated that she can recall having earlier testified in Court of what Timoci had allegedly done to her, when she stated that Timoci told her to sit on his lap.

PW1 stated that she did not consent to having sexual intercourse with Timoci. PW1 did not agree with the proposition that she did not verbally say 'no' to Timoci when she was having sexual intercourse that afternoon. PW1 stated that she couldn't do anything because he was big and she was just small. PW1 stated that how could she have told Timoci that she was not consenting to the sex given that he had shoved a towel in her mouth. PW1 agreed that she had stated that he was big and she was small, and that she sat on his lap during the sexual intercourse. PW1 agreed that there is no mention in her statement to the police of her being pulled inside the bathroom, and Timoci putting a towel inside her mouth after pulling her into the bathroom. PW1 stated that Timoci was on the lookout outside before he told her to leave the bathroom. PW1 stated that he was on the lookout so that no one is there and for the two of them not to be caught. PW1 agreed that when she exited the bathroom, the first person to meet her outside the bathroom was her mother. PW1 stated that this is the first time that she had sexual intercourse with Timoci. PW1 did not agree with the proposition that this was the third time she had had sexual intercourse with Timoci in the same bathroom. PW1 did not agree with the proposition that after having sexual intercourse with Timoci, she only made the allegation of rape when she saw her mother coming towards her. PW1 agreed that seeing her mother when she came out of the bathroom, she knew that she and Timoci were caught. PW1 agreed that at that point when her mother questioned her as to what she was doing in the bathroom, she lied in order to save herself and Timoci.

In **re-examination** by the prosecutor, PW1 stated that the correct statement is that she saw Timoci lying on the bed rather than Enid telling her that Timoci was lying on the bed. PW1 stated that it was in the afternoon when she told her mother what Timoci had done to her. PW1 stated that this was the first time she had sexual intercourse with Timoci. PW1 stated that the reason she lied to her mother when she came out of the bathroom is because she was shocked and scared at the same time.

PW2 – Dr. Avelina Watisowai Rokoduru

12. **PW2 Dr. Avelina Watisowai Rokoduru** testified in **examination-in-chief** that she graduated from the Fiji School of Medicine with MBBS in 2011 and Postgraduate Diploma in Obstetrics & Gynaecology in 2016. PW2 stated that she worked as an Obstetrics & Gynaecology Registrar

from 2014 till February 2022, after which she joined the Medical Services Pacific as their medical officer. PW2 stated that she is currently a lecturer at the Fiji National University in Basic Clinical Medicine which is in the medical programme for years 1, 2 and 3. PW2 stated that she has been practicing as a medical officer for 10 years. PW2 stated that in terms of specialized area of practice in medicine, she attained her Postgraduate Diploma in Obstetrics & Gynaecology in 2016. PW2 stated that on 3 February 2023, she was employed by Medical Services Pacific as their medical officer. PW2 stated that she can recall that on 3 February 2023, she was working on that date. PW2 stated that she can recall carrying out medical examination on a patient by the complainant's name. PW2 stated that the patient was brought in by the Sexual Offence Unit of the police for a medical examination. PW2 stated that she prepared a medical examination form for the patient. PW2 stated that she recorded her findings in the police medical examination form. PW2 stated that she signed the medical report. PW2 stated that she can recognize the medical report if shown to her. Leave was then granted by the Court for PW2 to be shown a document. Upon being shown the document, PW2 stated that it is the police medical examination form for the complainant. PW2 confirmed that she had signed the form, and have initialed on pages 1, 2, 3 and 5; and signed on page 4 in sections D(16) and E(19). PW2 stated that when she first examined the complainant, she was emotional, teary eyed at times, but calm. PW2 then read and explained section D(12)(a), (b) and (c) on page 3 of the medical examination report as follows: D(12)(a) 'Hymen not intact – fresh injury @ 3 o'clock + 9 o'clock, lower half of hymen bruised + swollen + tender'. For D(12)(a), PW2 explained that in non-sexually active females, the hymen is a ring of tissue within the vagina. When it is not intact, we deem penetration to have occurred. The injury is noted at 3 and 9 o'clock, which means that there are tears in these areas and there is also bruising, swelling and tenderness at the bottom half of the hymen. D(12)(b) 'Abrasion at posterior *forchette* + *fossa navicularis*'. PW2 explained that the skin has been rubbed away by blunt trauma at these two areas, which is outside of the hymen at 6 o'clock. D(12)(c) 'Blood – stained mucoid discharge noted covering *labia minora*'. PW2 explained that there was mucoid blood stain fluid on the *labia minora* i.e. smaller flap bilateral flap of flesh that covers the vagina. PW2 opined that the patient had sustained these injuries noted in section D(12), within the last 12 to 24 hours. PW2 then read out section D(14) 'Injuries noted fresh suggestive of forceful penetration as given by the client'. The prosecution then tendered via PW2 the Medical report of KLUWA by Dr. Avelina Watisowai

Rokoduru dated 3/2/23 duly marked as prosecution exhibit 1 [**PE1**].

In **cross-examination** by Mr. Emasi, PW2 stated that the patient's hymen was not intact. PW2 agreed that some girls are born with perforated hymen. PW2 agreed that a non-intact hymen is a poor scientific method to determine whether a girl is sexually active or not, or still a virgin. PW2 stated that it has been proven to be a myth the notion that a non-intact hymen could be caused by physical activities such as horseback riding or gymnastics. PW2 stated that it is possible that vigorous sport activities can cause the hymen not to be intact. PW2 stated that the injuries could be sustained from rough sex. PW2 stated that her findings are suggestive of use of force in the sexual intercourse. PW2 agreed that rough sex could be suggestive of her finding. PW2 did not agree with the proposition that she reached her conclusion based only from what the patient told her. PW2 stated that her conclusion was guided by the medical examination findings, which were supportive of what was conveyed to her. PW2 stated that it is correct to state that her findings were supportive of what was relayed to her by the patient.

PW2 was not **re-examined** by the prosecutor.

PW3 stated that they went to Valelevu Police Station and lodged the report on 3 February 2023.

In **cross-examination** by Mr. Emasi, PW3 stated that on 3 February 2023, she was lifting boxes with her daughter. PW3 stated that she had told her daughter KLUWA to get ready to go and do school shopping. PW3 stated that after a while, she began to call out her daughter KLUWA who was still having her shower. PW3 stated that this was happening during the day. PW3 stated that she was not in a hurry that afternoon. PW3 stated that she went out to personally look out for her child KLUWA when she did not hear her call, because she is concerned of her kids, and having called out 3 times and it was not answered by KLUWA, so she stood up and went out looking for them. PW3 agreed that she told KLUWA to get ready that day for school shopping. PW3 stated that it is not common for KLUWA to go missing from their house when she is busy. PW3 agreed that on that day KLUWA and her were to go school shopping, and KLUWA did go missing from home that day. PW3 agreed that knowing that KLUWA was not home, she then went around the block to look for KLUWA. PW3 stated that she had gone inside Enid's house and was told that KLUWA was not there. PW3 stated that Enid told her that KLUWA was not there in Enid's house, the same house in which Timoci reside. PW3 agreed that after searching at Enid's house and being told by Enid that KLUWA was not there, she then returned. PW3 stated that she reported the matter to the police, and had given a statement to the police while

the matter was still fresh in her mind, and the statement were all true and correct. PW3 stated that she had signed her statement to the police, and if shown the statement, she can confirm that statement given to the police. Leave was then granted by the Court for PW3 to be shown her statement to the police. PW3 stated that the signature on the first page of the statement belongs to her, and her name 'Wati Jaoji' appears on the top-left corner of the statement. PW3 stated 'yes' he can recall that she had stated in her statement to the police that when walking towards Enid's house, she saw someone pushing her daughter out of the bathroom. PW3 stated 'yes' that she had stated that she saw an arm push her daughter out of the toilet, and that is how she can confirm that someone was inside the bathroom. PW3 stated that her statement noted in paragraph 2, line 12 is not the same as her statement in court yesterday. PW3 agreed that when she confronted KLUWA in front of the toilet on what she was doing inside the toilet or bathroom, KLUWA told her that she was washing her legs and not the allegation of rape, and KLUWA was scared at that moment. PW3 stated that her daughter KLUWA told her of the rape allegation outside the toilet. PW3 stated 'no' to the proposition that KLUWA continued to give her alternative answers until she told Timoci and KLUWA to go inside the house. PW3 stated that KLUWA told her about the allegation of rape, and that is the same allegation that she gave the police in her statement. PW3 stated that KLUWA mentioned that she had sexual intercourse with Timoci. PW3 agreed that it is not in her statement that KLUWA had sexual intercourse with Timoci. PW3 stated 'yes' to the proposition that after hearing what KLUWA had shared with her, she then inferred that KLUWA had sexual intercourse with Timoci. PW3 stated 'no' to the proposition that there is nothing in her statement about consent being shared to her by KLUWA. PW3 stated that KLUWA told her. PW3 stated 'yes' to the proposition that in her statement to the police there is nothing about KLUWA having said that she did not consent to having sexual intercourse with Timoci.

In **re-examination** by the prosecutor, PW3 stated that when her daughter KLUWA came out of the toilet, she told her the following story. Timoci called KLUWA and pulled her inside the toilet, started kissing her and closed the door. Timoci held both of KLUWA's hands together while kissing her, and slowly pulled her pants down, and then Timoci pulled his pants down and sat on the toilet pan, and pulled KLUWA towards him. Timoci then told KLUWA to sit on top of him, and when she wanted to scream out, Timoci put a towel inside her mouth. After a few

minutes, they heard noises outside and he pushed KLUWA to go and wash herself with water, and told KLUWA to wear her pants and get out of the toilet.

14. After the testimonies of PW1, PW2 and PW3's, the prosecution then closed its case, and the Court provided the defence its options for the accused to: i) remain silent; ii) give sworn testimony; or iii) call other independent witness, to which the defence opted that the accused remain silent, and not call other witness.

15. Both counsels subsequently made their closing submissions, and this the Court's judgment on *Sexual assault* (Count 1) and *Rape* (Count 2) in the indictment.

Analysis of the prosecution vis-à-vis defence evidence

16. Having carefully considered the entire prosecution and defence evidence including the *Admitted Facts*, I have found that:

- a) Based on the *Admitted Facts* between the prosecution and defence filed on 23 August 2023, the following facts are not disputed:
 - i) The name of the person charged is Timoci Naqete ["Timoci"].
 - ii) Timoci was born on 4th March, 1998 and is currently 25 years old.
 - iii) Timoci shares a domestic relationship with KLUWA ["KLUWA"].
 - iv) KLUWA is Timoci's sister-in-law i.e. Timoci's wife Mereoni's younger sister.
 - v) On 3rd February 2023, KLUWA had visited Timoci's place of residence at Reba Circle, Nadera.
 - vi) On 3rd February 2023, Timoci and KLUWA were in the washroom at Timoci's residence.
 - vii) The washroom includes a bathroom and toilet into one.
 - viii) Timoci and KLUWA were naked in the bathroom, when Timoci made her sit on him whilst he sat on the toilet pan.
 - ix) On the same occasion as above, Timoci penetrated the vagina of KLUWA with

his penis.

- x) KLUWA had disclosed about the alleged incident to her mother in Timoci's presence and he admitted to the same to KLUWA's mother.
- b) However, I have decided to disregard and not to rely on *Admitted Fact xi*), despite it being noted in paragraph 10 herein, because the prosecution did not tender Timoci Naqete's *Record of Interview*. The only *Admitted Facts* that I will rely on are those numbered i) to x) highlighted in paragraph 16-a) herein.
- c) The identification of the accused Timoci Naqete is well substantiated and established via the *Admitted Facts*.

Count 2: Rape

- d) The physical and fault elements for the offence of *Rape* in this instant are:
 - i) A person i.e. the accused Timoci Naqete;
 - ii) Penetrated the complainant KLUWA's vagina with his penis;
 - iii) Without complainant KLUWA's consent; and
 - iv) He did so intentionally.
- e) For **Count 2: Rape**, the *Admitted Facts* numbered i) to x) highlighted in paragraph 16-a) herein, has proved *beyond reasonable doubt* the physical elements of *Rape* of i) 'A person' being the accused Timoci Naqete; and ii) Timoci Naqete penetrated PW1 KLUWA's (complainant) vagina with his penis.
- f) The issues of '*consent*' and fault element of '*intention to rape*' are the main contentious issues for **Count 2: Rape**.
- g) **Did PW1 KLUWA '*consent*' to having her vagina penetrated by Timoci Naqete's penis?**

Having carefully considered the testimonies of PW1 – KLUWA, PW2 – Dr. Avelina Watisowai Rokoduru including **PE1** –Medical report of KLUWA by Dr. Avelina Watisowai Rokoduru dated 3/2/23, and PW3 – Wati Jaoji, I find that PW1 KLUWA did not consent to having her vagina penetrated by Timoci Naqete via his penis.

h) Did Timoci Naqete intentionally rape PW1 KLUWA?

Having carefully considered the testimonies of PW1 – KLUWA, PW2 – Dr. Avelina Watisowai Rokoduru including **PE1** –Medical report of KLUWA by Dr. Avelina Watisowai Rokoduru dated 3/2/23, and PW3 – Wati Jaoji, I find that PW1 KLUWA did not consent to having her vagina penetrated by Timoci Naqete’s penis, and infer that Timoci Naqete had therefore intentionally raped PW1.

i) In addition to the *Admitted Facts* i) to x) noted in paragraph 16-a) herein, PW1 - KLUWA testified that on 3 February 2023 Timoci Naqete called her to go inside the bathroom where he was in, he then pulled her into that bathroom and shoved a towel in her mouth to prevent her from screaming, and then began kissing her neck and lips. Timoci Naqete then took off PW1’s pants and he also took off his pants and sat on the toilet pan, and then told PW1 to sit on him. PW1 then sat on Timoci Naqete’s lap and he was moving as his penis penetrated PW1’s vagina, and PW1 felt pain on her private part since that was the first time she had had sexual intercourse with a man. PW1 did not consent to having Timoci penetrate her vagina with his penis. PW2 – Dr. Avelina Watisowai Rokoduru relying on **PE1** found that PW1’s hymen was not intact with fresh injuries suggestive of forceful penetration. PW3 – Wati Jaoji i.e. PW1’s mother provided evidence of recent complaint consistent with PW1’s account.

j) PW1’s testimony and that of PW2 and PW3 are consistent, credible and reliable, and were not heavily discredited or unsettled by cross-examination, and any discrepancy does not, in my view, render the prosecution evidence incredible and unreliable. In Nadim v State [2015] FJCA 130; AAU0080.2011 (2 October 2015) at paragraph 15, Prematilaka,

J. stated:

[15] It is well settled that even if there are some omissions, contradictions and discrepancies, the entire evidence cannot be discredited or disregarded. Thus, an undue importance should not be attached to omissions, contradictions and discrepancies which do not go to the heart of the matter and shake the basic version of the prosecution's witnesses. As the mental abilities of a human being cannot be expected to be attuned to absorb all the details of incidents, minor discrepancies are bound to occur in the statements of witnesses.

- k) The evidence of *recent complaint* adduced by PW3 - Wati Jaoji has enhanced PW1's credibility.
- l) I therefore attach immense weight to the evidence adduced by PW1, PW2 and PW3 including **PE1**, and held together with the *Admitted Facts* numbered i) to x) highlighted in paragraph 16-a) herein, I find that the prosecution has therefore proved *beyond reasonable doubt* that Timoci Naqete raped PW1 – KLUWA as per **Count 2 – Rape** in the indictment.

Count 1 – Sexual assault

- m) The physical and fault elements for the offence of *Sexual assault* in this instant are:
 - i) A person i.e. the accused Timoci Naqete;
 - ii) Unlawfully and indecently assaulted PW1 KLUWA the complainant; and
 - iii) Did so intentionally.
- n) PW1 testified that on 3 February 2023 Timoci Naqete called her to go inside the bathroom where he was in, he then pulled her into that bathroom and shoved a towel in her mouth to prevent her from screaming, and then began kissing her neck and lips.
- o) The testimony of PW1 held together with that of PW2 and PW3 are consistent, credible and reliable, and were not heavily discredited or unsettled by cross-examination, and I therefore attach immense weight to the relevant evidence, thus proving *beyond*

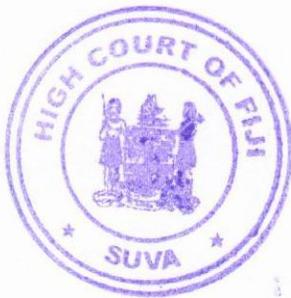

reasonable doubt that Timoci Naqete sexually assaulted PW1 – KLUWA as per **Count 1** – *Sexual assault* in the indictment.

CONCLUSION

17. Based on all the reasons stated above, I therefore find Timoci Naqete **guilty** of **Count 1** – *Sexual assault* and **Count 2** – *Rape* in the Information by the Director of Public Prosecutions dated 6 March 2023 and filed on 7 March 2023, and **convict** him accordingly.

18. Timoci Naqete is hereby remanded in custody to await sentencing.

19. Thirty (30) days to appeal to the Fiji Court of Appeal.
