

DISTRICT COURT
CRIMINAL CASE NO. 380/80
THE REPUBLIC v HAROLD STEPHEN

JUDGMENT

The evidence adduced by the Prosecution, as already referred to in the earlier order passed does clearly bring home a charge for an offence c/s 28 (a) of the M.T.A. This is the only offence that is made out for the Prosecution. Accordingly I convict the accused for the offence c/s 28 (a) for speeding

ORDER

The accused is admittedly a first offender. It was really not correct of him to have overtaken a police car which was going in normal speed and it is more so he was returning home very late in the night. keeping some hand cash having had some drinks at the club. This tendency to drive fast by youngsters as this accused, has to be checked and suitably dealt with. Indeed the fact there was no other oncoming vehicle is to be taken to consideration wiWith these observations I sentence him to pay a fine of \$100 i.d. a month h.l.
