1. The Minister for Health and Education has announced that the Government has decided to award up to 20 Scholarships to Nauruan students to undertake secondary education overseas commencing in 1980.
2. Selection will be based on written tests and examinations. Scholarships will be awarded only to candidates assessed as having the capacity to take full advantage of the additional opportunities afforded by schools overseas compared with secondary schools in the Republic.
3. Selection will be at two levels:
 - i) All Form 1 students, irrespective of age, will be permitted to sit for Lower Age Scholarships and the examination will be restricted to Form 1 students.
 - ii) If the Education Department considers that a candidate over the age of 13 years 6 months as at 31 December is worthy of a Lower Age Scholarship, the case will be submitted to Cabinet.
 - iii) Only students in Form 4 will be permitted to sit for Higher Age Scholarships and there will be no age barrier.
 - iv) If the Education Department considers that a candidate who is over the age of 17 years as at 31 December is worthy of a Higher Age Scholarship, the case will be submitted to Cabinet.
 - v) In selecting students for Higher Age Awards, considerable emphasis will be given to general motivation and career interests.
 - vi) The examinations for Lower Age and Higher Age Scholarships will take into consideration the syllabi for Forms 1 and 4 respectively.
4. Examinations for both Lower Age and Higher Age Candidates will be conducted on Tuesday, 14 August.

G.N. No. 22B/1979 (Cont'd)

All candidates will be required to sit for papers in the following:

Mathematics
Reading Comprehension
Word Meaning
Written Expression

In addition, a Learning Ability Test will be administered on the same day to indicate candidates' potential.

5. Through the courtesy of the Nauru Local Government Council the examinations will be held at the Civic Centre.
6. Scholarship students should be enrolled at schools selected because of their capacity to meet the needs of those students as assessed by the Education Department.
7. The Scholarships will cover the cost of tuition, board and lodging, prescribed textbooks, school stationery, other compulsory school fees and travel to and from Nauru once per year and provide a generous clothing allowance. Parents will be required to pay for additional clothing requirements and meet out-of-pocket expenses. Pocket money provided by parents should not exceed limits set by schools.
8. Scholarship students will be expected to apply themselves diligently to their studies at all times. Scholarships are reviewed annually by the Minister or at more frequent intervals if progress is unsatisfactory. A scholarship may be cancelled or discontinued for unsatisfactory results or serious misbehaviour.
9. At senior secondary level the subjects to be studied will be decided in consultation with the Nauruan Welfare Officer and/or the Department of Education.
10. On completion of their secondary course, students may apply for cadetships to undertake tertiary studies or for apprenticeships overseas depending upon the results obtained in their final examinations, their aptitudes and the needs of the Republic.
11. Any student wishing to be considered for a Scholarship should submit his or her name to the Headmaster of the Republic's Nauru Secondary School or the Principal of Kayser College.

Details of the examination arrangements will be notified to Principals and all candidates by the Director of Education.
