REPUBLIC OF NAURU
DEPARTMENT OF EDUCATION
SCHOLARSHIP EXAMINATIONS

The Honourable the Minister for Health and Education has directed that Examinations be held on Tuesday 12 August 1980 for the award of lower age and higher age scholarships for secondary education overseas as from the beginning of the 1981 school year.

Children who are members of the Nauruan Community may compete for awards.

Students in Form 1 in 1980 are eligible to sit for lower age scholarships. However any child who will be more than 13 years 6 months old as at 31 December 1980 will be awarded a scholarship only when there are special circumstances.

Students in Form 4 in 1980 are eligible to sit for higher age scholarships. Any child aged more than 17 Years 0 months as at 31 December 1981 will be considered for an award only in exceptional circumstances.

The examinations for both lower age and higher age scholarship will consist of the following papers:

Mathematics	50 minutes
Reading Comprehension	30 minutes
Vocabulary	30 minutes
Written Comprehension	30 minutes

Nominations from schools in Nauru should be submitted by the Heads by 31 July 1980.

Children who are attending schools overseas as private students may sit for the examination provided they meet the requirements outlined above but it will be necessary for them to return to Nauru to do so.

Normally scholarships are taken up at schools in Australia and New Zealand. New Zealand will not admit students who are below New Zealand Form 3 level: thus only lower age students with an outstanding school record should think of enrolling in a New Zealand school. Australia may admit Nauruan students to study at Australian Form 1 (or Year 7) at any State in Australia.

G.N. No. 268/ 1980 (Cont'd)

As a rule students awarded higher age scholarship will undertake from one to three years of general studies at a secondary school with a view to undertaking career training.

Dated this 18th day of July, 1980.

A.E. Howley,
DIRECTOR OF EDUCATION.
