

STATUTORY RULES.

No. 11 of 1930.

Made under the *Plants' Diseases Ordinance*, 1911-1913.

The Plants' (Importation) Regulations, 1923 (Statutory Rules No. 4 of 1923), are further amended as follows:—

1. By inserting immediately after Regulation 7A thereof the following new regulation and heading:—

“Importation of sugar-cane.

7B. No sugar-cane shall be imported or introduced into the Territory unless—

- (1) The importer or intending importer shall, before the sugar-cane is introduced or landed in the Territory, notify the Principal Officer of Customs at a Port of Entry of the fact that such sugar-cane is intended to be introduced into the Territory by him; and
- (2) The importer or intending importer furnishes the Director of Agriculture with the following certificates:—
 - (a) A certificate from a responsible officer of the Department of Agriculture of the State of Queensland that the sugar-cane has been properly fumigated under the personal supervision of a person properly qualified to carry out such fumigation; and
 - (b) A certificate from a properly qualified Plant Pathologist that the sugar-cane is to the best of his knowledge and belief from a disease-free area and free from disease; and
 - (c) A certificate from a properly qualified Entomologist that the sugar-cane is free from dangerous insects.
- (3) The Director of Agriculture is satisfied with the certificates so furnished whereupon the said Director of Agriculture may authorize the said Principal Officer of Customs by wireless or in writing to permit the introduction into the Territory of the said sugar-cane without observing the other conditions of these regulations.”

Made in Executive Council this twenty-first day of July, One thousand nine hundred and thirty.
