## **PART I - PRELIMINARY**

### **1 Short Title and commencement**

- (1) This Act may be cited as the Nurses, Nurse Practitioners and Midwives Act 2021.
- (2) This Act shall come into force on a date proclaimed by Cabinet and published in a notice in the Gazette.

## 2 Object of the Act

- (1) The object of this Act is to establish a regulatory scheme for nurses, nurse practitioners, midwives and students .
- (2) The objectives of the regulatory scheme are to —
  - (a) provide for the protection of the public by ensuring that only nurses, nurse practitioners and midwives who are suitably educated and qualified to practise in a competent and ethical manner are registered;
  - (b) inform the general public of the expected level of knowledge, skills, professional attitudes and behaviours they can expect of nurses, nurse practitioners and midwives;
  - (c) provide for the registration of students of pre-registration nursing programmes;
  - (d) provide for a non-practising register for those nurses and midwives who wish to retain their name on a register but no longer intend to practise nursing or midwifery;
  - (e) accredit high quality education programmes for nurses, nurse practitioners and midwives;
  - (f) enable innovation in the education of, and service delivery by, nurses, nurse practitioners and midwives;
  - (g) facilitate the rigorous and responsive assessment of overseas-educated nurses, nurse practitioners and midwives;
  - (h) facilitate access to services provided by nurses, nurse practitioners and midwives in accordance with the public interest; and
  - (i) enable the continuous development of a flexible, responsive and sustainable nursing and midwifery workforce.

- (2) The Board shall determine the procedures and rules governing its meetings.
- (3) The Board shall meet as required and shall report to the Health Practitioners Review Council by providing the Board Meeting Minutes.
- (4) The Board shall prepare annually a report of its activities during the preceding 12 months and this report shall be made to the Minister.
- (5) The Minister shall present the report in subsection (4) to Cabinet and the Legislative Assembly on an annual basis.

## **11 Exclusion of liability**

An act in good faith, by the Minister, Registrar, chairman or any Board member shall not subject that person to any liability.

# **PART III – THE REGISTRATION AND RENEWAL OF REGISTRATION OF NURSES, NURSE PRACTITIONERS AND MIDWIVES**

## **12 Registers**

- (1) For the purposes of this Act, the Board shall maintain five divisions of the register as follows –
  - (a) a division of the register for nurses;
  - (b) a division of the register for nurse practitioners;
  - (c) a division of the register for midwives;
  - (d) a division of the register for pre-registration student nurses; and
  - (e) a division of the register for non-practising nurses and midwives.
- (2) The register and its divisions may be kept by electronic means.

**13 Application for registration**

The Board shall determine the form in which applications for registration under this Act shall be made.

**14 Application for renewal of registration**

The Board shall determine the frequency of and form in which applications for renewal of registration as a nurse, nurse practitioner or midwife shall be made.

**15 Eligibility for registration**

- (1) A person is eligible for registration on one or more of the divisions of the register if—
  - (a) the person holds the qualifications recognised by the Board for the purposes of registration on the respective division of the register;
  - (b) the person has successfully completed—
    - (i) any period of supervised practice if required by the Board; or
    - (ii) any examination or assessment if required by the Board to assess the person's ability to practise the profession competently and safely;
  - (c) the person is a suitable person to hold registration as a nurse, nurse practitioner or midwife;
  - (d) the person is not disqualified under this Act or an Act in another jurisdiction from applying for registration, or being registered, as a nurse, nurse practitioner or midwife;
  - (e) the person meets any other requirements for registration stated in the professional standards for the health profession;
  - (f) the person can provide proof of identity; and
  - (g) the person has paid the required fee.
- (2) The Board may vary the relevant qualification referred to in subsection (1)(a) in any case where the Board -
  - (a) proposes to limit the health services that the applicant will be permitted to perform; and
  - (b) is satisfied that the varied qualification is adequate -
    - (i) for the performance of those health services; and
    - (ii) for the protection of the public.

## 16 Fitness for registration

The Board may decide a person is not a suitable person to hold registration as a nurse, nurse practitioner or midwife if —

- (a) in the Board's opinion, the person has an impairment that would detrimentally affect their capacity to practise the profession to such an extent that it would or may place the safety of the public at risk;
- (b) having regard to the person's criminal history to the extent that is relevant to the person's practice of the profession, the person is not, in the Board's opinion, an appropriate person to practise the profession or it is not in the public interest for the person to practise the profession;
- (c) the person has previously been registered under a relevant law and during the period of that registration proceedings that correspond to proceedings under Part V of this Act, were started against the person but not finalised;
- (d) in the Board's opinion, the person's competency in speaking or otherwise communicating in English or Tongan is not sufficient for the person to practise the profession;
- (e) the person's registration is currently suspended or cancelled in another jurisdiction on a ground for which an adjudication body could suspend or cancel a nurse, nurse practitioner or midwife's registration in Tonga;
- (f) the nature, extent, period and recency of any previous practice of the profession is not sufficient to meet the requirements specified in the standards relevant to registration as a nurse, nurse practitioner or midwife;
- (g) the person fails to meet any other requirement in the professional standards for the profession about the suitability of person's to be registered in the profession or to competently and safely practise the profession; or
- (h) in the Board's opinion, the person is for any other reason—
  - (i) not a fit and proper person for general registration in the profession; or
  - (ii) unable to practise the profession competently and safely.

## 17 Effect of registration as a nurse, nurse practitioner or midwife

A person duly registered under one or more of the practising registers for nurses, nurse practitioners or midwives with the exception of the pre-registration student or the non-practising registrant shall be entitled to use the title of nurse, nurse practitioner and or midwife and shall be entitled to engage in the practice in which they are so registered pursuant to this Act.

## **18 Effect of registration as a non-practising nurse, nurse practitioner or midwife**

A person duly registered under the non -practising register for nurses, nurse practitioners and midwives shall be entitled to use the title of nurse, nurse practitioner and or midwife but will not be entitled to engage in nursing or midwifery practice.

## **19 Provisional registration**

- (1) Where a person has applied for registration as a nurse, nurse practitioner or midwife the Chair of the Board may, if satisfied that the person has the requisite qualification and experience, and that the person is fit for registration, and on payment of the prescribed fee, grant to that person a certificate of provisional registration in Form 2 prescribed in the Schedule.
- (2) Where a person has obtained a certificate of provisional registration the person shall be deemed to be registered under the Act until —
  - (a) the date stated in the certificate; or
  - (b) such later date as may be fixed by the Board,which date shall, in either case, be not later than 3 months after the granting of the certificate.
- (3) The Board may, at any time before the date so stated or fixed, cancel a certificate of provisional registration.
- (4) Upon the cancellation of a certificate of provisional registration, the holder of the certificate shall no longer be deemed to be registered.
- (5) If a person to whom a certificate of provisional registration has been granted becomes registered before the date stated or fixed pursuant to subsection (2), the registration shall, unless otherwise decided by the Board, date from the granting of the provisional certificate.

## **20 Temporary registration**

The Registrar, subject to the approval of the Chair of the Board, and on assurance that the person is fit for registration, may register nurses, nurse practitioners and midwives who are registered as such in another jurisdiction, for up to 3 months. The Board shall prescribe the fee payable for such temporary registration.

## **21 Special purpose registration**

- (1) The Minister may recommend to the Board that a visiting nurse, nurse practitioner or midwife be granted special purpose registration, on the basis that it is in the public interest to do so.
- (2) The Minister shall include in the recommendation the period for which registration is requested.

- (3) The Board shall in any such case grant special purpose registration but may impose such conditions, including monitoring and oversight that it considers reasonably necessary.

## **22 Holding out**

- (1) No person, except a nurse, nurse practitioner or midwife, shall —
- (a) represent or hold out, expressly or by implication, that he is entitled to engage in the practice of nursing or midwifery;
  - (b) use any sign, emblem, title or advertisement implying that the person is a nurse, nurse practitioner or midwife; or
  - (c) use the title nurse, nurse practitioner or midwife or any similar designation or abbreviation implying that he is registered as a nurse, nurse practitioner midwife.
- (2) Any person who contravenes this section commits an offence and upon conviction shall be liable to a fine not exceeding \$10,000 or not exceeding 5 years imprisonment or both.

## **23 Content of the Registers**

The information to be entered in the register in respect of each person registered under this Act shall contain the following—

- (a) the name of the person;
- (b) the date of birth of the person;
- (c) the person's professional address in the Kingdom or, if the person has no professional address, the person's place of residence;
- (d) particulars of the qualifications entitling the person to be registered;
- (e) the registration number allocated to the person;
- (f) the date of registration;
- (g) any notations relating to specialist qualifications;
- (h) any conditions or other requirements to which the person's registration is subject; and
- (i) such other particulars, if any, as are prescribed.

## **24 Registration of students**

- (1) A person in charge of an education provider providing an approved and accredited programme of study shall inform the Registrar of the particulars of any person who enrolls in that programme of study.
- (2) On receipt of the particulars of a person undertaking an approved program of study, or part of an approved program of study the Registrar shall register the

person as student registrants by entering the person's particulars in the student division of the register kept by the Board.

- (3) The Board shall not require a person to pay a fee for registration as a student.
- (4) As soon as practicable after registering a person as a student registrant, the Registrar shall give written notice of the registration to the education provider that provided the student's particulars to the Board.
- (5) As soon as practicable after receiving notice that a student has been registered the education provider shall give written notice of the registration to the student.

## **25 Period of student registration**

The period of registration for a student —

- (a) starts when the student is registered; and
- (b) expires at the end of the day on which the student completes, or otherwise ceases to be enrolled in, the approved program of study.

## **26 Notice to be given if student registration suspended or condition imposed**

- (1) This section applies if, at any time, any of the following events occurs—
  - (a) a person's registration as a student under this Act is suspended;
  - (b) a condition is imposed on a person's registration as a student under this Act or a condition to which a person's registration is subject is changed or removed; or
  - (c) the Board accepts an undertaking from a person who is a student.
- (2) The Board shall, as soon as practicable after the event occurs, give written notice of the event to the education provider with which the person is undertaking the approved program of study.
- (3) If an education provider is given a notice about a person, the education provider shall, as soon as practicable after receiving the notice, give notice of the event to any entity with whom the person is undertaking training as part of the approved program of study.

## **27 Report to Board of cessation of status as student**

This section applies if—

- (a) a student completes, or otherwise ceases to be enrolled in, an approved program of study for a health profession provided by an education provider;

- (b) a student completes, or otherwise ceases to undertake, clinical training in a health profession arranged by an education provider;
- (c) the education provider shall give written notice of the student ceasing to be enrolled in the program of study, or to undertake the clinical training, to the Board within 60 days of it occurring; or
- (d) on receipt of a notification under section 44, the Registrar shall remove the registrant's name from the register.

## **28 Renewal of registration fee**

- (1) Every nurse, nurse practitioner or midwife shall, on or before the 31st day of October in each year which day is in this section referred to as the "prescribed day" pay to the Registrar a roll fee fixed by the Board for the year commencing on the first day of January next following the prescribed day.
- (2) The nurse, nurse practitioner or midwife shall furnish particulars of his address for entry in the register and such other particulars as may be prescribed.
- (3) If the person does not pay the renewal of registration fee referred to in subsection (1) on or before the prescribed day in any year, the Board shall forthwith notify the person by letter addressed to him at the address appearing in the appropriate register that if the renewal of registration fee be not paid before the end of the first working day of the next calendar year the person's name shall be removed from the register as from the next day.
- (4) If the name of a nurse, nurse practitioner or midwife has been removed from the register under this section, the Board shall, upon application in writing and upon being satisfied that the person is eligible for renewal of registration, restore the person's name to the register upon payment of the outstanding renewal of registration fee and a reinstatement fee fixed by the Board.

## **29 Renewal of registration requirements**

- (1) A registered nurse, nurse practitioner or midwife may apply to the Board for renewal of their registration.
- (2) An application for renewal of a registered nurse's, nurse practitioner's or midwife's registration shall be made not later than the first working day of the next calendar year after their registration was due for renewal.
- (3) The application for renewal of registration shall be —
  - (a) in the form approved by the Board;
  - (b) accompanied by the relevant fee;
  - (c) accompanied by the annual statement required; and
  - (d) be accompanied by any other information reasonably required by the Board.

**30 Annual statement required for renewal**

- (1) An application for renewal of registration shall include or be accompanied by a statement that includes the following—
  - (a) a declaration by the applicant that—
    - (i) the applicant does not have an impairment;
    - (ii) the applicant has met any recency of practice requirements stated in the standard determined for the nurse, nurse practitioner or midwife;
    - (iii) the applicant has completed the continuing professional development the applicant was required to undertake during the applicant's preceding period of registration; and
    - (iv) the applicant has assessed themselves against the relevant professional standards and either believes they meet the standards or has taken steps to update their knowledge or skills to ensure they meet the standards;
  - (b) details of any change in the applicant's criminal history that occurred during the applicant's preceding period of registration;
  - (c) if the applicant's right to practise at a hospital or another facility at which health services are provided was withdrawn or restricted during the applicant's preceding period of registration because of the applicant's conduct, professional performance or health, details of the withdrawal or restriction of the right to practise;
  - (d) details of any complaint made about the applicant to a registration authority or another entity having functions relating to professional services provided by health practitioners or the regulation of health practitioners; or
  - (e) any other information required by an approved professional standard.
- (2) These annual statement requirements do not apply to an applicant who is applying for the renewal of non-practising registration.
- (3) These annual statements may be subject to random audit to review the evidence on which they are based.
- (4) The Board may make determinations as to the necessary procedures to bring a nurse, nurse practitioner or midwife into line with the requirements under the annual statement before granting renewal of registration.
- (5) Such determinations under subsection (4) shall be made expeditiously to reduce delay in renewal of registration.

**31 Removal from the register of nurses, nurse practitioners or midwives**

- (1) After due inquiry, as laid down in Part V, the Board may direct that the name and other particulars of a nurse, nurse practitioner or midwife be removed from the register if —
  - (a) the person is convicted of an offence under this Act or under any other legislation relating to drugs;
  - (b) the person has obtained registration by fraud or misrepresentation;
  - (c) the qualification on the basis of which registration was awarded is withdrawn or cancelled by the authority which awarded it;
  - (d) the person is guilty of unsatisfactory professional conduct or professional misconduct which, after due inquiry by the Board, renders the person unfit to be a nurse, nurse practitioner or midwife; or
  - (e) the person's name has been removed from a register of nurses, nurse practitioners or midwives in another jurisdiction having been found guilty of unsatisfactory professional conduct or professional misconduct.
- (2) The Board may suspend the registration of a nurse, nurse practitioner or midwife pending investigations and disciplinary inquiry.

**PART IV – STANDARDS, CODES AND GUIDELINES****32 Standards for registration of nurses, nurse practitioners and midwives**

The Board is required to develop standards about the following matters—

- (2) The members of the Immediate Action Committee shall be appointed by the Board for a period of two years from the date of appointment and shall be eligible for re-appointment.

**51 Immediate Action Committee**

- (1) The Immediate Action Committee shall be a standing committee independent of the Board.
- (2) Immediate action, in relation to a pre-registration student, nurse, nurse practitioner or midwife means—
  - (a) the suspension, or imposition of a condition on, the pre-registration student, nurse, nurse practitioner or midwife registration;
  - (b) accepting an undertaking from the pre-registration student, nurse, nurse practitioner or midwife; or
  - (c) accepting the surrender of the pre-registration student, nurse, nurse practitioner or midwife registration.
- (3) An Immediate Action Committee may take immediate action in relation to a pre-registration student, nurse, nurse practitioner or midwife or student registered by the Board if it reasonably believes that—
  - (a) because of the pre-registration nurse, nurse practitioner or midwife’s conduct, performance or health, the pre-registration nurse, nurse practitioner or midwife poses a serious risk to persons and it is necessary to take immediate action to protect public health or safety or has, or may have, contravened a sanction on their registration or an undertaking given by the pre-registration student, nurse, nurse practitioner or midwife to the Board and it is necessary to take immediate action to protect public health or safety;
  - (b) the nurse, nurse practitioner or midwife’s registration was improperly obtained because the nurse, nurse practitioner or midwife or someone else gave the Board information or a document that was false or misleading in a material particular; or
  - (c) the pre-registration student, nurse, nurse practitioner or midwife’s registration has been cancelled or suspended under the law of another jurisdiction.

- (4) The Board may take immediate action that consists of suspending, or imposing a condition on, the pre-registration student's, nurse's, nurse practitioner's or midwife's registration only if the Board has complied with the show cause process.

## **52 Show cause process**

- (1) If the Immediate Action Committee is proposing to take immediate action that consists of suspending, or imposing a condition on, a pre-registration student's, nurse's, nurse practitioner's or midwife's registration, the Immediate Action Committee shall-
  - (a) give the pre-registration student, nurse, nurse practitioner or midwife notice of the proposed immediate action; and
  - (b) invite the pre-registration student, nurse, nurse practitioner or midwife to make a submission to the Immediate Action Committee, within the time stated in the notice about the proposed immediate action.
- (2) A notice given to a pre-registration student, nurse, nurse practitioner or midwife, and any submissions made by the pre-registration student, nurse, nurse practitioner or midwife in accordance with the notice, may be written or verbal.
- (3) The Board shall have regard to any submissions made by the pre-registration student, nurse, nurse practitioner or midwife in accordance with this section in deciding whether to take immediate action in relation to the pre-registration student, nurse, nurse practitioner or midwife.
- (4) Immediately after deciding to take immediate action in relation to a pre-registration student, nurse, nurse practitioner or midwife, the Immediate Action Committee shall give written notice of the Board's decision to the pre-registration student, nurse, nurse practitioner or midwife and refer the matter back to the Board immediately for investigation.

## **INVESTIGATION PANEL**

## **53 Investigation Panel**

The Investigation Panel is hereby established by the Board for the purpose of investigating the complaint.

## **54 Members of the Investigation Panel**

- (1) The Board may co-opt such persons as may be deemed necessary to assist in the investigation.

- (2) The members of the Investigation Panel shall be appointed by the Board for a period of two years from the date of appointment and shall be eligible for re-appointment.

## 55 Procedure for investigating a conduct matter

- (1) The Investigation Panel may require the complainant to provide further particulars of the complaint and may make such inquiries concerning the complaint as it thinks fit.
- (2) The Investigation Panel shall inform the pre-registration student, nurse, nurse practitioner or midwife against whom the complaint is made of the particulars of the complaint and invite that person to make, within such time as the Board specifies in the notice, such representations to the Investigation Panel with respect to the complaint as they think fit.
- (3) The Investigation Panel is required to consider any representations made to it within the time specified in the regulations.
- (4) The Investigation Panel may, by written notice, require any person to attend before the Investigation Panel of the Board, at a time and place specified in the notice and to produce any documents specified in the notice. Any person who fails to comply with this requirement commits an offence.
- (5) The Investigation Panel may receive and admit, as evidence at any inquiry—
  - (a) the judgement and findings of any court whether civil or criminal or tribunal made within or outside the Kingdom;
  - (b) the verdict or findings of a jury of any such court;
  - (c) a certificate of the conviction of any person; or
  - (d) a transcript, duly certified by the registrar or clerk of the court or tribunal as correct, of the evidence of witnesses taken in any such court or tribunal,

where the Investigation Panel is of the opinion that the judgment, findings, verdict, certificate or evidence is or are relevant to the proceedings.

- (6) The Investigation Panel may at an inquiry deal with one or more complaints about a pre-registration student, nurse, nurse practitioner or midwife.
- (7) If, during any such inquiry, it appears to the Board that, having regard to any matters that have arisen, another complaint could have been made against the pre-registration student, nurse, nurse practitioner or midwife concerned—
  - (a) whether instead of or in addition to the complaint which was made; and
  - (b) whether or not by the same complainant,

the Board may take that other complaint as having been referred to it and may deal with it at the same investigation.

- (8) If another complaint is taken to have been referred to the Board the complaint may be dealt with after such an adjournment as is, in the opinion of the Board, just and equitable in the circumstances.
- (9) The Investigation Panel has the authority to summon and compel the attendance of any person while conducting complaints and disciplinary proceedings under Part V.

## REVIEW OF BOARD'S DECISIONS

### 56 Review of Board's Decisions
