MINUTE OF WITHDRAWAL CONFERENCE

At conference held today in Luganville, Santo, with all parties present, the Original Claimant informed the Court that this matter has been too long delayed by the Court and accordingly he wishes to withdraw the matter and have it transferred back to the nakamal to determine the land dispute through the Land Management Process.

All Counterclaimants consented to the withdrawal and transfer of the claim. A question was raised as to whether the Original Claimant or the Judiciary should refund their court fees, the Court refrained from making any deliberation on this on the grounds that this is an Administration matter to be pursued should the parties wish so.

Accordingly, I hereby dismissed the matter as requested. The parties have the liberty to take up the matter with the Land Management Office or elsewhere to resolve the matter.

DATED at Luganville this 20th day of November, 2020.
