REPUBLIC OF VANUATU

BILL FOR

VANUATU RED CROSS SOCIETY ACT NO. 23 OF 1982

EXPLANATORY NOTE

When a country accedes to the four Geneva Conventions (Bill for the Geneva Conventions Act No. of 1982), it can constitute a National Red Cross Society. The purpose of this Bill is to replace the former Committee of the Red Cross Society by the Vanuatu Red Cross Society which will be the sole national Red Cross Society of Vanuatu (section 2). The new body has the same powers as any body corporate. Section 3 sets out the general objects of the Society which reflect the provisions of the four Geneva Conventions. The Bill authorises the Society to use the heraldic emblem in accordance with the Geneva Conventions.

Section 5 is important as it reaffirms the independent and voluntary nature of the Society in accordance with the principles laid down by the United Nations.

The Society will be governed by a General Assembly and managed by a committee established in accordance with the provisions of the statutes (section 6). The Statutes shall be adopted by the General Assembly as soon as possible after the coming into force of the Act and shall contain provisions covered by section 7.

As the new Society will replace the former Committee, all assets and liabilities of this Committee shall vest in the Society. Consequently, contracts and agreements contracted by the Committee shall have effect in favour or against the Society. Besides, officers of the Committee become officers of the Society until replaced in accordance with the Statutes.

JULY 1982.

MINISTER FOR FOREIGN AFFAIRS
